## **Report of the Committee of Management for the Year End 31 March 2021**

The Committee of Management presents its report and the Financial Statements for the year ended 31 March 2021.

### **Legal Status**

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No.2357R(S). The Association is governed under its Rule Book. The Association is a registered Scottish Charity with the charity number SC038237.

### **Principal Activities**

The objects of the Association are:

1. to provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care; and
2. any other purpose or object permitted under Section 24 of the Housing (Scotland) Act 2010 which is charitable both for the purposes of Section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and also in relation to the application of the Taxes Acts.

The permitted activities and powers of the Association will include anything which is necessary or expedient to help the Association achieve these objects.

## **Review of Business and Future Developments**

### **Context**

Pineview Housing Association Ltd is a community-based housing association in the Drumchapel area of Glasgow. As at 31 March 2021 the Association owns 853 properties, part owns 22 shared ownership properties and provides factoring services for a further 29 properties. At 31/03/21 the Association has a Committee of Management of 11 members, made up of 9 elected members, 2 members filling casual vacancies and 1 co-optee. Of the 11 members there are 4 tenants, 1 service user and 7 others with an interest in the Association.

The worldwide pandemic of Covid19 obviously had an impact on the Association during the financial year 2020/21. To meet the required Covid19 restrictions we closed our office to the public in March 2020 and it remained closed throughout 2020/21 with services continuing with office-based staff working from home. Throughout the year the Committee of Management continually reviewed the impact of Covid19 on our tenants, customers, staff, stock and business generally. The Association has robust business continuity plans in place which allowed our business to be managed and impact to be minimised. The Committee of Management instructed our Internal Auditors to undertake an internal audit of our response to Covid19 during the first week in July 2020. This allowed the Committee of Management to gain external assurance on how the Association was responding and to consider the effect of our planning and contingency arrangements.

During 2019/20 the Association was selected as preferred bidder to consider a transfer of engagements from Kendoon Housing Association Ltd. The Association undertook due diligence to determine if this would be an opportunity that would be of benefit to the tenants of both Pineview and Kendoon. Statutorily required tenant consultation was undertaken and led on by Kendoon. Following a period of robust consultation and tenants ballot processes, Pineview was selected as the preferred landlord by 88.5% of voting tenants.

## **Report of the Committee of Management for the Year End 31 March 2021 (Continued)**

The Kendoon Housing Association tenants and stock transferred to Pineview on the 1 February 2021, with Kendoon Housing Association being wound up. This transfer resulted in an additional 319 properties becoming part of Pineview's housing stock within the Drumchapel area.

### **Treasury Management**

The Committee of Management follows a prudent approach to the financial affairs of the Association and retains close control of these. Investments are regularly reviewed to ensure that the Association achieves the best return in a climate of low interest rates, whilst spreading the risk of investments across institutions. The Committee of Management also keeps the Association's loan portfolio under review and monitors the impact of financial decisions on the loan covenant conditions that the Association is required to meet. Within a climate of low interest rates for investments, instead of raising our debt profile with the transfer of engagements, the Committee of Management took the decision to repay existing lending attached to the Kendoon stock. This involved negotiation with a number of lenders and a review of some of our existing loan agreements but resulted in a lower debt profile across the enlarged Association post transfer.

The Association, as a matter of policy, does not enter into transactions of a speculative nature. Surplus funds are managed carefully using long-established banks or building societies. The Treasury Management position of the Association is reviewed by the Committee of Management every quarter and the Treasury Management Policy is reviewed by the Committee of Management every year.

### **Risk Management**

The Association has an active risk management process, including policy, matrix register and business continuity planning (disaster recovery). All major risks are considered in order that mitigating action can be planned. Risks are reviewed by staff on an ongoing basis and formally reviewed by the Committee of Management every six months or sooner if required.

Key risks include, for example, Covid19 pandemic; Brexit uncertainty; welfare reform impacts; loss of key personnel; inadequate controls; fraud; health and safety failures; changes in regulatory requirements; data security etc. Risks are mitigated with robust policies, procedures and a range of internal and external audits. The Committee of Management further ensure mitigation by reviewing external information and advice, maintaining active membership of representative and good practice bodies, and through seeking specialist external advice where it is required such as advice on IT security and data protection/freedom of information.

### **Financial Review**

The Association needs to have reserves to ensure that the organisation can function into the future and meet its future liabilities, including the repair, maintenance and replacement investment needs of its properties. In the year to 31 March 2021 the Association made a surplus of £713,615 against a budgeted position of £291,212. The majority of the additional surplus during 2020/21 was due to the impact of Covid19 restrictions preventing us from undertaking much of our planned renewal and maintenance work. These works, and the costs for them, will be picked up as restrictions are removed and it is safe to undertake the works. Any surpluses that the Association makes are set aside within reserves for future business and works.

## **Report of the Committee of Management for the Year End 31 March 2021 (Continued)**

The Association reports an operating margin of 24% (14% 2020). The main driver of the difference from the previous year being lower expenditure on cyclical, planned and reactive repair costs carried out to the Association's properties due to Covid19 restrictions and higher rental income than budgeted due to the increase in stock from the Transfer of Engagement on 1<sup>st</sup> February 2021.

As at 31 March 2021 the Association has cash to the value of £3,672,011 and has loan debt at a value of £3,039,208, having paid £333,525 off its loan debt during the year (excluding the sums paid for Kendoon secured lending re Transfer of Engagements).

As at 31 March 2021 the Association has a net asset value position of £13,547,202 (this is the assumed net worth of the Association and is not a cash item).

### **Value for Money**

Along with ensuring effective management of the Association's finances, the Committee of Management are committed to ensuring that value for money remains a top priority for the Association. We look to achieve this as an independent RSL and with our local partners. Where it can add value, we work with other local RSLs to procure, purchase and provide. We work closely with the other local RSLs especially in terms of staff and committee training, welfare benefits advice services and some maintenance procurement. We also work with other Associations across Glasgow on common projects, such as the Scottish Housing Connections website consortium. The Association and the other 3 Drumchapel community based registered social landlords worked together during the year to set up reactive maintenance and gas maintenance frameworks and contracts for 2021.

Ensuring the collection of rental income, and supporting tenants to make rent payments, remains a priority for the Association. While working to keep rents affordable we need to ensure that we maximise our collection of rental charges due. This has been a challenge over recent years with the UK Government Welfare Reforms. 2020/21 was an especially difficult year in this regard due to the impact of Covid19 with many of our customers losing their employment or having their hours (and therefore income) cut, along with the Scottish Government restrictions on taking court action. Additionally, the transfer from Kendoon has affected our performance in this area with Kendoon having historically high rent arrears that we have inherited as part of the transfer.

Tenant involvement is crucial to the success of the Association and we are very grateful to our active Resident and Customer Forum for all the work they do with us. Physical meetings were not possible during 2020 but we took meetings online and those who did not want to take part in this format kept in touch and fed into forum work.

It is core to our business that our customers are satisfied with the services we provide and the Association is committed to continually aiming to improve on these. During 2020 we carried out an independent Tenant Satisfaction Survey, in which 87.11% of respondents stated that they were satisfied with the services of the Association; 96.40% were satisfied with being kept informed about services and decisions; and 93.60% were satisfied with opportunities to participate in decision making. The 2020 Covid19 restrictions were implemented one week into our 2020 survey, severely limiting the service and repair delivery that we could provide. This is likely to have affected these results, as these were the areas most affected by the restrictions. We will review these areas again as Covid19 restrictions are lifted and services can return to normal.

## **Report of the Committee of Management for the Year End 31 March 2021 (Continued)**

### **Donations**

During the year the Association made charitable donations of £2,000. An additional £2,774 was given in gifts and hospitality and a further £1,954 of additional contributions were made to local projects and charities through fundraising or Drumcog.

### **Governance**

The Committee of Management continued their annual committee member reviews to ensure that as a committee, and as individual committee members, they meet regulatory and good practice requirements. The committee remains open to new members joining and bringing fresh ideas, skills and approaches.

The Committee of Management developed and submitted their Annual Assurance Statement (AAS) to the Scottish Housing Regulator by the due deadline. This Committee of Management submitted a positive AAS advising of their assurance of the Association's compliance with regulatory requirements.

### **Committee of Management, Executive Officers**

The Association is controlled by a Committee of Management. The members of the Committee of Management and the Executive Officers are listed on Page 1.

Each member of the Committee of Management holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Committee of Management.

The members of the Committee of Management are also Trustees of the Charity. Members of the Committee of Management are appointed by the members at the Association's Annual General Meeting or apply to fill casual vacancies in the year or take up co-optee places. The Committee of Management can be no fewer than 7 members and no more than 15, with no more than one third being co-optees.

### **Statement of Committee of Management's Responsibilities**

The Co-operative and Community Benefit Act 2014 require the Committee of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Committee of Management is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

## **Report of the Committee of Management for the Year End 31 March 2021 (Continued)**

The Committee of Management is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to: ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the SHR Determination of Accounting Requirements – Statutory Guidance Feb 2019. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Committee of Management must, in determining how amounts are presented within items in the Statement of Comprehensive Income (income and expenditure account) and Statement of Financial Position (balance sheet), have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

### **Disclosure of Information to the Auditor**

In so far as the Committee of Management are aware, at the time this report is approved:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Committee of Management have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

### **Statement on Internal Financial Control**

The Committee of Management acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Committee of Management's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;

**Report of the Committee of Management for the Year End 31 March 2021 (Continued)**

- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Committee of Management;
- the Committee of Management receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Committee of Management has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2021. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

**Auditors**

A resolution to re-appoint the auditors Chiene & Tait LLP will be proposed at the Annual General Meeting.

**By order of the Committee of Management**

Joyce Orr

Secretary

Date

## **Report by the Auditors to the Members of Pineview Housing Association Limited on Corporate Governance Matters**

In addition to our audit of the Financial Statements, we have reviewed your statement on pages 7-8 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes which are issued by the Scottish Housing Regulator.

### **Basis of Opinion**

We carried out our review having regard to the requirements on corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

### **Opinion**

In our opinion the Statement on Internal Financial Controls on pages 7-8 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through our enquiry of certain members of the Management Committee and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Controls appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advisory Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

**2021**

## **Independent Auditor's Report to the Members of Pineview Housing Association Limited**

### **Opinion**

We have audited the financial statements of Pineview Housing Association Limited for the year ended 31 March 2021, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows, the Statement of Changes in Equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the association's affairs as at 31 March 2021 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, Part 6 of the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements – 2019.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the accounts, we have concluded that the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Management Committee with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Management Committee are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **Independent Auditor's Report to the Members of Pineview Housing Association Limited** (Continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the association has not kept proper records; or
- the financial statements are not in agreement with the books of account; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Management Committee**

As explained more fully in the Management Committee' responsibilities statement, the Management Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee are responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intend to liquidate the association or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

---

**Independent Auditor's Report to the Members of Pineview Housing Association Limited**  
(Continued)

We gained an understanding of the legal and regulatory framework applicable to the Association and the industry in which it operates and considered the risk of acts by the Association which were contrary to applicable laws and regulations, including fraud. These included but were not limited to the Housing SORP 2018, the Co-operative and Community Benefit Societies Act 2014 and the Housing (Scotland) Act 2010.

We focused on laws and regulations that could give rise to a material misstatement in the association's financial statements. Our tests included, but were not limited to:

- agreement of the financial statement disclosures to underlying supporting documentation;
- enquiries of the members;
- review of minutes of board meetings throughout the period;
- review of legal correspondence or invoices, and
- obtaining an understanding of the control environment in monitoring compliance with laws and regulations.

There are inherent limitations in an audit of financial statements and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the association's members, as a body. Our audit work has been undertaken so that we might state to the association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the association, and the association's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 17 to 33 form part of these Financial Statements.

**1. PRINCIPAL ACCOUNTING POLICIES**

**Statement of Compliance**

These financial statements were prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2015.

**Going Concern**

The Committee of Management is aware of material uncertainties related to Covid-19 that may cast doubt upon the Association's ability to continue as a going concern. However, the Committee of Management are continually developing and implementing mitigating actions and processes to ensure that the Association continues to function and manage future operations and those of its workforce and stakeholders. The Committee of Management is satisfied of the Association's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

**Revenue**

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates.

**Retirement Benefits**

The Association participates in the Scottish Housing Associations Defined Benefit Pension Scheme where retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102. The Association also participates in the Scottish Housing Associations Defined Contribution scheme as the defined benefit scheme is closed to new members. Contributions to defined contribution plans are recognised as employee benefit expense when they are due.

**Valuation Of Housing Properties**

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 12. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

<b>Component</b>	<b>Useful Economic Life</b>
Kitchens	15 Years
Bathrooms	30 Years
Boilers	15 Years
Radiators	30 Years
Windows	30 Years
External Doors	30 Years
Internal Doors	40 Years
Rewiring	40 Years
Structures	50 Years

**1. PRINCIPAL ACCOUNTING POLICIES (Continued.)**

**Depreciation and Impairment of Other Non-Current Assets**

Non-current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:

<b>Asset Category</b>	<b>Depreciation Rate</b>
Office Premises	2%
Furniture, Fittings and Equipment	33%
Motor Vehicles	33%

The carrying value of non-current assets are reviewed for impairment at the end of each reporting period.

**Social Housing Grant and Other Grants in Advance/Arrears**

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which it relates.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

**Sales Of Housing Properties**

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

**Leases/Leased Assets**

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives.

**Works to Existing Properties**

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

**PRINCIPAL ACCOUNTING POLICIES (Continued.)**

**Key Judgements made in the application of Accounting Policies**

**a) The Categorisation of Housing Properties**

In the judgement of the Management Committee the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

**b) Identification of cash generating units**

The Association considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

**c) Pension Liability**

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. This year the Pension Trust have developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has adopted this valuation method in line with FRS102.

**Financial Instruments - Basic**

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

**Estimation Uncertainty**

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the Management Committee to exercise judgement in applying the Association's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

**a) Rent Arrears - Bad Debt Provision**

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

**b) Life Cycle of Components**

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

**c) Useful life of properties, plant and equipment**

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

**d) Defined pension liability**

Determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds.

**e) Allocation of share of assets and liabilities for multi-employer schemes**

Judgements in respect of the assets and liabilities to be recognised are based upon source information provided by administrators of the multi-employer pension schemes and estimations performed by the Pensions Trust.

**2. PARTICULARS OF TURNOVER, OPERATING COSTS AND OPERATING SURPLUS OR DEFICIT FROM AFFORDABLE LETTING AND OTHER ACTIVITIES**

This is expected to be released to the Statement of Comprehensive Income in the following years:

	2021 £	2020 £
Amounts due within one year	702,314	642,490
Amounts due in one year or more	<u>26,049,290</u>	<u>16,047,300</u>
	<u>26,751,604</u>	<u>16,689,790</u>

20. SHARE CAPITAL		
<b>Shares of £1 each Issued and Fully Paid</b>		
	2021 £	2020 £
As at 1 April 2020	171	184
Issued in year	106	25
Cancelled in year	<u>(11)</u>	<u>(38)</u>
As at 31 March 2021	<u>266</u>	<u>171</u>

Each member of the Association holds one share of £1 in the Association. These shares carry no rights to dividend or distributions on a winding up. When a shareholder ceases to be a member, that person's share is cancelled and the amount paid thereon becomes the property of the Association. Each member has a right to vote at members' meetings.

21. HOUSING STOCK
-------------------

The number of units of accommodation in management at the year end was:-	<b>2021 No.</b>	<b>2020 No.</b>
General Needs - New Build Units	721	426
General Needs - Improved Units Acquired by Association	131	107
Shared Ownership	22	22
Supported Housing	<u>1</u>	<u>1</u>
	<b>875</b>	<b>556</b>
Increase in stock of 319 homes through Transfer of Engagements on 1st February 2021.		

## 22. RELATED PARTY TRANSACTIONS

Members of the Management Committee are related parties of the Association as defined by Financial Reporting Standard 102.

Any transactions between the Association and any entity with which a Management Committee member has a connection with is made at arm's length and is under normal commercial terms.

Transactions with Management Committee members (and their close family) were as follows:

	<b>2021 £</b>	<b>2020 £</b>
Rent received from tenants on the Management Committee and their close family members	30,657	30,140

At the year end total rent arrears owed by the tenant members on the Management Committee (and their close family) were £14 (2020 £227 ).

Members of the Management Committee who are tenants	5	5
---	---	---

## 23. DETAILS OF ASSOCIATION

The Association is a Registered Society registered with the Financial Conduct Authority and is domiciled in Scotland.

The Association's principal place of business is 5 Rozelle Avenue, Drumchapel, Glasgow.

The Association is a Registered Social Landlord and Scottish Charity that owns and manages social housing property in Drumchapel.

## 24. MANAGEMENT COMMITTEE MEMBER EMOLUMENTS

Management Committee members received £45 (2020 £674) in the year by way of reimbursement of expenses. No remuneration is paid to Management Committee members in respect of their duties to the Association.

## 25. SHAPS PENSION PROVISION

	2021 £	2020 £
As at 1 April 2020	(45,000)	(453,000)
Decrease/(increase) in Provision	<u>(445,000)</u>	<u>408,000</u>
Balance as at 31 March 2021	<u>(490,000)</u>	<u>(45,000)</u>

The pension provision is equal to the deficit in the plan, arrived at by deducting the present value of defined benefit obligation from the fair value of plan assets - as detailed at note 26.

In the year to 31st March 2021 the deficit in the plan has increased due to the impact of actuarial losses on the defined benefit obligation and gains on the plan assets and contributions paid by the employer and members.

## 26. RETIREMENT BENEFIT OBLIGATIONS

### Scottish Housing Association Pension Scheme

Pineview Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the scheme). The assets of which are held in a separate trustee administered fund. The Association has employees in the defined contribution scheme and employees in the defined benefit scheme.

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal then the liability of the withdrawing employer is re-appointed amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

The last valuation of the Scheme was performed as at 30th September 2018 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £877m. The valuation revealed a shortfall of assets compared with the value of liabilities of £121m (equivalent to a past service funding level of 89%). All Scheme members have agreed to make contributions towards the past service deficit.

The administering authority has responsibility for the management of the Fund. As most of the Fund's investments are equity based, there is an inherent risk of volatility in the investment market having a significant effect on the value of the fund's assets. In order to mitigate this risk, the Fund holds a diverse investment portfolio with a range of investment managers.

**26. RETIREMENT BENEFIT OBLIGATIONS**

**Principal Actuarial Assumptions**

Assumptions as at 31 March 2021

	<b>2021</b>	<b>2020</b>
	<b>%p.a.</b>	<b>%p.a.</b>
Pensionable earnings increases	3.9%	2.6%
Inflation RPI	3.3%	2.6%
Inflation CPI	2.9%	1.6%
Discount rate	2.2%	2.4%

The defined benefit obligation is estimated to comprise of the following:

	<b>2021</b>	<b>2020</b>
	<b>Number</b>	<b>Number</b>
Employee members	4	4
Deferred pensioners	11	7
Pensioners	<u>11</u>	<u>8</u>
Increase in pensioners is due to Transfer of Engagements and Flexible Apportionment Agreement	<u>26</u>	<u>19</u>

**Mortality Rates**

Life expectancy is based on the PFA92 and PMA92 tables, with mortality improvements projected based on members' individual year of birth. Based on these assumptions, the average future life expectancies at age 65 are summarised below:

	<b>Males</b>	<b>Females</b>
	<b>(Years)</b>	<b>(Years)</b>
Current Pensioners	21.5	23.4
Future Pensioners	22.8	25.0

**26. RETIREMENT BENEFIT OBLIGATIONS****Fair value of scheme assets by category**

	<b>2021</b>	<b>2020</b>
	<b>£000</b>	<b>£000</b>
Growth Assets	2,658	1,251
Matching Plus	775	477
Liability Driven Investment	1,100	667
Net Current Assets	<u>36</u>	<u>18</u>
	<b>4,569</b>	<b><u>2,413</u></b>

**Net Pension Liability**

	<b>2021</b>	<b>2020</b>
	<b>£000</b>	<b>£000</b>
Fair value of employer's assets	4,569	2,413
Present value of scheme liabilities	<u>(5,059)</u>	<u>(2,458)</u>
Present value of unfunded liabilities	-	-
	<u>(490)</u>	<u>(45)</u>

**Reconciliation of fair value of employer assets**

	<b>2021</b>	<b>2020</b>
	<b>£000</b>	<b>£000</b>
Opening fair value of employer assets	2,413	2,236
Expected Return on Assets	57	53
Contributions by Members	25	22
Contributions by the Employer	93	97
Experience on plan assets	2,098	54
Estimated Benefits Paid	<u>(117)</u>	<u>(49)</u>
<b>Closing fair value</b>	<b><u>4,569</u></b>	<b><u>2,413</u></b>

**Reconciliation of defined benefit obligations**

	<b>2021</b>	<b>2020</b>
	<b>£000</b>	<b>£000</b>
Opening defined benefit obligation	2,458	2,689
Current Service Cost	29	41
Interest Expense	58	64
Contributions by members	25	22
Actuarial Losses/ (Gains)	2,606	(309)
Estimated Benefits Paid	<u>(117)</u>	<u>(49)</u>
<b>Closing defined benefit obligation</b>	<b><u>5,059</u></b>	<b><u>2,458</u></b>

**26. RETIREMENT BENEFIT OBLIGATIONS****Analysis of amount charged to the Statement of Comprehensive Income**

	<b>2021</b>	<b>2020</b>
	<b>£</b>	<b>£</b>
Charged to operating costs:		
Service cost	<u>15,144</u>	<u>13,071</u>
	<u>15,144</u>	<u>13,071</u>
Charged to Other Finance Costs / (Income)		
Expected Return on employer assets	(57,000)	(43,000)
Interest on pension scheme liabilities	<u>58,000</u>	<u>52,000</u>
	<u>1,000</u>	<u>9,000</u>
	<u>58,000</u>	<u>52,000</u>
<b>Net Charge to the Statement of Comprehensive Income</b>	<u>16,144</u>	<u>22,071</u>
<b>Actuarial Gain / (Loss) recognised in the Statement of Comprehensive Income</b>		
	<b>2021</b>	<b>2020</b>
	<b>£</b>	<b>£000</b>
Actuarial gain/(loss) recognised in year	(508,000)	363,000
Cumulative actuarial gains	(240,000)	268,000

Actuarial gain/(loss) is a non-cash item that occurs due to changes in actuarial assumptions used by The Pensions Trust (TPT) for the Scottish Housing Associations' Pension Scheme (SHAPS). This figure can be subject to significant change year on year.
