

Committee Member Biographies

Name:	Morven Baigent
Year of Joining Committee:	2023
Current Position:	Elected Member - Vice chair

Background / Profession: I previously worked at Pineview, firstly through a temporary employment agency and then on a temporary contract from 2018 to 2019. During this time, I gained an understanding of the day-to-day operation of Social Landlords and the work required to achieve the goals of the organisation and meet the needs and aspirations of residents. I moved on from Pineview to pursue my goal of becoming a teacher of mathematics and I now work in the local community.

Why you got involved with the Association: In my professional role as a teacher of mathematics in the local area, I understand the community served by Pineview. I feel that I bring a broader perspective to the committee having worked at Pineview, and now working as a teacher in the local community.

What you want to see for the future for Pineview: I am especially interested in the community aspect of the Association's work, and I hope to contribute to developing further understanding of the barriers families are facing.

Name:	Linda Devlin
Year of Joining Committee:	2021
Current Position:	Elected Member – Chair

Background/Profession: I have been a Drumchapel resident since 1987, raising a family of three children. I initially volunteered with local groups and instigated the development and delivery of After School Activity Clubs, holiday playschemes for local children as well as an After School Care Service that is still in existence. I continued my interest in community development throughout my 35-year career with Glasgow City Council assisting elected members, Community Councillors, local people and groups/organisations to identify and resolve local issues, seek resolutions to remove barriers to participation and sustainability, and support ongoing development through funding and training opportunities. I have recently retired and hope to use my work experience and local knowledge to benefit the tenants and residents of Pineview Housing Association and the wider area.

Why you got involved with the Association: As a local resident I want to support the communities in Drumchapel to have equal access to investments that bring greater economic and social benefits such as access to improved education, training and employment opportunities, affordable quality housing and an improved environment through increased partnership working and access to wider community benefits. Much of this is encompassed into the vision and values of the Association and the hard work and varied skill sets of the staff and committee members will collectively aim to achieve these goals for the benefit of the community and wider area.

What you want to see for the future for Pineview: A thriving community with access to sustainable quality and affordable housing, where tenants and residents' opinions and views are taken into account through local decision-making processes and where people are proud to live.

Name:	Daniel Martyn
Year of Joining Committee:	2019
Current Position:	Elected Member

Background / Profession: I joined Pineview in 2019 as I was interested in becoming more active in local communities. I am now currently an elected member at Pineview and fulfilled the position of Chair from 2022 to 2024. In my professional role as a Strategic Consultant/Project Director, I have experience of assisting organisations in setting and implementing strategic aims and objectives.

Why you got involved with the Association: I am particularly interested in improving the local community and ensuring that Pineview maintains a resilient business model that allows it to continue supporting the community. I believe I bring independent challenge to the Association and support the committee to ensure we serve our tenants and community.

What you want to see for the future for Pineview: Ensuring the long-term viability of the Association to support future generations yet to come. I bring a broad mix of business, leadership, and management skills to the committee. I will continue to make sure that all tenants' futures are at the core of committee decision-making through the provision of quality and affordable homes.

Name:	Helena McNulty
Year of Joining Committee:	2024
Current Position:	Elected Member

Background / Profession: I have worked within the local community for most of my life. I am aware of the difficulties associated of living within this area. I also see daily the benefits of having a strong sense of community and pride in the local area.

Why you got involved with the Association: I am standing for election for the first time this year. I am interested in supporting Pineview Housing by raising awareness of the Association's work within the local community. I believe that by contributing to the committee I can help improve the quality of life for tenants and the local community.

What you want to see for the future for Pineview:
I am especially interested in the delivery of good quality housing and services, whilst maintaining a sense of pride within the local community, supporting individuals to feel fulfilled within their tenancies.

Name:	Laura Nahar
Year of Joining Committee:	2022
Current Position:	Elected Member

Background/Profession: Multi-site Manager, Customer Service and retail alongside HR experience.

Why you got involved with the Association: I have a strong interest in social housing and making a difference in the community I grew up in.

What you want to see for the future for Pineview: Sustainable, profitable business that puts tenants first and foremost.

Name:	Kirsty O'Neil
Year of Joining Committee:	2025
Current Position:	Elected Member

Background / Profession: I have over 27 years working in Social care. The majority of my working life has been in management roles, which has given me a lot of transferable skills I can bring to the role of a committee member. I am a highly skilled professional with extensive expertise in team leadership, supervision, and management, complemented by a strong background in budgeting, finance, and staff development.

Why you got involved with the Association: I grew up in Drumchapel, moving away for around 6 years before returning in 2017. I am keen to be involved in local charities or organisations who provide a service or support to people living in Drumchapel and surrounding areas. Pineview Housing Association's values align with my own and they are committed to providing affordable homes to people.

I am passionate about people receiving the best possible experiences in life they can and like to work with others to provide these opportunities. I feel my life experience of growing up in Drumchapel and as a resident of Drumchapel will support me in making a valuable contribution to the Committee. I am aware of the good work Pineview does for the residents and a very customer focussed which is important to me.

Housing is not just about a roof over someone's head, and I have an interest in the holistic approach housing associations should be offering to people.

What you want to see for the future for Pineview: I would like Pineview to continue to provide good quality, affordable homes while creating communities where people feel supported, listened to and proud to live. Leading the way in encouraging tenant participation to shape services and influence decisions.

Name:	Lyndsey Robinson
Year of Joining Committee:	2023
Current Position:	Elected Member – Vice Chair

Background / Profession: I am a housing professional that has worked within the housing sector for over 20 years. Working within housing, I am expected to understand current and proposed legislation, regulation, policies and procedure. I understand the new Housing (Scotland) Bill, Social Housing Charter, the reasons it is in place – to help improve the quality and services service users can expect from social landlords. How they receive the services and to allow for the opportunity for communication and participation in the decisions that affect them. I also know the importance of the Annual Return on the Charter to the Housing Regulator.

Throughout my working life I have been predominately based on the front line and where I have developed excellent communication and interpersonal skills. I have the self-confidence to ensure that I am successful in fulfilling every part of my role; this confidence enables me to deal with challenging situations effectively.

Why you got involved with the Association: I grew up in Drumchapel, I have family in Drumchapel, I visit on a regular basis. I have a genuine interest in the regeneration of the community and helping residents live in an affordable and sustainable way. I understand social housing and the reason for social housing. I believe that social housing is not just about houses but the people and the community. Housing affects all aspects of health, wellbeing, life chances and our job prospects. Everyone should have a home that brings them those chances and opportunities.

I understand the importance of integration. That the decisions made by social landlords do impact those within the community and tenants. By joining the management Committee at Pineview, providing support in the strategic direction and objectives of the association I believe I can help make the difference in the community.

What you want to see for the future for Pineview: The challenges facing social landlords is unprecedented, we are facing significant new rising costs at a time when tenants are dealing with real financial pressures. I want to support the association to deliver quality affordable homes, improving lives and the community.

Name:	Callum Scouller
Year of Joining Committee:	2026
Current Position:	Casual Vacancy

Background / Profession: Modern Apprentice and Assistant in Property Services Department

Why you got involved with the Association: I am looking to help out in the aspect of making decisions and working in a team within the context of a housing association, I am working in housing and I believe that I will be able to apply my skills used within my job to help out in meetings and making decisions.

What you want to see for the future for Pineview: I want to help out the committee with potential problems which come up and provide an insight into what a younger person working in housing believes is important to consider for the future of the association.

Name:	Anna Welsh
Year of Joining Committee:	2013
Current Position:	Elected Member

Background / Profession: Local resident, homemaker/carer

Why you got involved with the Association: I have lived in in Drumchapel for many years and have been a Pineview tenant in my current home since 2000. I joined the Pineview committee in 2013 as a co-optee and first stood for election in 2014, and most recently in 2025. I enjoy my role in the committee and making a difference to the Pineview community.

What you want to see for the future for Pineview: I would like to continue in my role to make sure tenants' interests are represented and taken account of. I would also encourage any other tenants who are interested to get involved.

Name:	Nanre Kums Yusuf
Year of Joining Committee:	2026
Current Position:	Co-optee

Background / Profession: Estate Surveyor and Valuer

Why you got involved with the Association: I am interested in joining Pineview's Management Committee because I see community based housing not just as a service, but as a foundation for dignity, stability, and opportunity. Throughout my career as an Estate Surveyor and Valuer, I have seen how the quality of a home and the way a landlord listens, decides, and responds can shape the whole direction of a person's life. I want to contribute to an organisation where those decisions are made with care, accountability, and a genuine connection to the community.

What you want to see for the future for Pineview: I am particularly interested in Pineview's work that focuses on helping tenants live securely and confidently in their homes. What draws me most is the way Pineview combines high quality repairs and maintenance with a genuine commitment to listening to tenants and involving them in shaping services. That balance between practical service delivery and meaningful tenant voice is where I believe a community based association shows its true strength.

I am also deeply interested in how Pineview plans for the long term sustainability and quality of its homes. Decisions about investment, maintenance, and energy efficiency have a direct impact on comfort, safety, and affordability, and I am motivated by the idea of contributing to thoughtful, future focused planning that protects both tenants and the organisation.
